SNOW PLOWING POLICY

Policy No. 01-2019

Residential Plowing and Private Roads

Residents are responsible for clearing snow from private driveways. Snow from private driveways shall not be placed on the municipal roadway or shoulders. Do not plow snow from driveways onto or across municipal roads. Piles of snow left on or near the road can freeze into a solid mass creating a hazardous situation for vehicles and snowplows. Piles of snow increase the chance of drifting onto the roadway. Accidents and damages caused by snow piles placed in the roadway may result in liability to the property owner. If the snow needs to be cleared away with municipal equipment a charge to those responsible will apply and it may also result in a misdemeanor charge.

Passed by resolution of Council this 5th day of March, 2019.
